RB 4 HOUR RACE

Dear Competitor,

SPECIAL NOTE REGARDING GARAGE ALLOCATIONS

6th & 7th August

As there are only 30 garages in Pit Lane at Wakefield Park we have a major problem for this coming weekend.

Due to the extraordinary number of competitors (172 as at 27th July) and a total of 200 motorcycles – it is impossible to allocate all of them into the Pit Lane facility.

Because of this we have hired the new lock up garages that are situated behind the carparks. I have been advised that the power is better in this sections and PA is up on the roof so competitors should be able to hear what is going on.

As the Endurance Race entries need to be garaged in Pit Lane we advise as follows:-

All 53 competitors (as at 27th July) who are entered for SATURDAY ONLY have been allocated garages in the new section.

The remaining competitors who are **entered for both Saturday and Sunday** have been allocated garages in Pit Lane: ie You have been garaged as team members for both days.

Yours in Sport,
ST. GEORGE MCC,

Jan Blizzard,
Race Secretary.
