- 19.2 All races will be time certain. If a race is stopped by the use of the red flag and cannot be restarted within TWENTY (20) minutes, it will be declared to have been finished at the end of the last completed lap before the red flag was displayed. Points will be awarded to all competitors excluding the competitor(s) who are deemed to have caused the red flag as determined by the Clerk of Course. If no laps were completed no points will be awarded.
- 19.3 The program of events and the length of races are subject to change.

- 19.10 Results will remain "Provisional" until ratified and confirmed by Motorcycling NSW.

 - a) The White flag will be waved at all flag points to indicate that there is rain falling at some point around the circuit.
 - b) The Blue flag will not be used as this requires two flag marshals to be in attendance at every flag point, and we ordinarily do not have a sufficient number of volunteers to accommodate this.
- 20.2 Prior to the opening of pit exit, signalling boards will be displayed in conjunction with a siren. The boards will indicate the following:
 - a) "5 Minutes" - to the opening of pit exit (used prior to the day's track activity commencing and following any *extended* delay)

 - a) A red flag will be displayed at pit exit to signify that entry to the circuit is prohibited. Competitors MUST NOT ride past this red flag.
