- 9.2 Series prizes will be awarded based on points accumulated over all rounds and will be awarded at the end of the series.
- 9.3 Points will be awarded at each round based on your finishing place within each race run on the day. Series and class points and trophies will be awarded as per the finishing order for the races.
- 9.4 All scoring and points will be awarded as per the MoMS. In the event of a points tie the MoMS rules will apply. If this tiebreaker does not break the tie the FIM World Championship Grand Prix Regulation 1.28.7 will be applied. Refer https://www.fim-moto.com/fileadmin/user_upload/Documents/2021/2022_FIM_Grand_Prix_World_Championship_Regulations.pdf on page 84 for further details.
- 9.5 In the event a tie in the series points score cannot be separated by the rules already included in these Supplementary Regulations, the awarding of prizes will be determined by a “draw from the hat”. - 18.1 All races will commence from a clutch start controlled by the starting gantry lights. Should the lights fail, race starts will be signified by the raising of the Australian National Flag.
- 18.2 For Saturday races your sighting lap will also be your warm-up lap.
- 18.3 For Sunday races the Clerk of Course will advise the sighting and warm-up lap format.
- 18.4 Jump-starts will incur a 10 second time penalty.
- 18.5 The Clerk of Course may impose more severe penalties for jump-starts that are considered to have caused danger to other competitors.

19. **RACING**

- 19.1 Races will be as per each event schedule.
- 19.2 All races will be time certain. If a race is stopped by the use of the red flag and cannot be restarted within TWENTY (20) minutes, it will be declared to have been finished at the end of the last completed lap before the red flag was displayed. Points will be awarded to all competitors excluding the competitor(s) who are deemed to have caused the red flag as determined by the Clerk of Course. If no laps were completed no points will be awarded.
- 19.3 The program of events and the length of races are subject to change.
- 19.4 If the event is a Championship all championship classes will take precedence over support classes.
- 19.5 **Practice and qualifying will be run conjointly.**
- 19.6 Practice starts will be permitted at the end of each practice/qualifying session. The practice start area at each circuit will be designated by a "Practice Start" sign and orange cones or similar. Details will be included in the Final Instructions for each round.
- 19.7 Race finishes will be signaled by a waved chequered flag at the start/finish line.
- 19.8 Once a rider has received the chequered flag, they must not overtake any other rider. This courtesy will allow back-markers to finish the race by receiving the chequered flag on their own final lap and will also allow track clearances to be performed in a safer and more efficient manner.
- 19.9 Race results will be published on the Natsoft Racing website, currently located at <http://racing.natsoft.com.au/results/-1> and on the St. George Facebook page.
- 19.10 Results will remain "Provisional" until ratified and confirmed by MNSW.

20. **FLAGS AND SIGNALS**

20.2.1 The White flag will be waved to indicate that there is rain falling at some point around the circuit.

20.2.2 The Blue flag will not be used as this requires two flag marshals to be in attendance at every flag point, and we do not have sufficient volunteers to accommodate this. New volunteers are always welcome - please email our marshal co-ordinator at <mailto:stgeorgemembers@gmail.com> or visit <https://www.stgeorgemcc.com/membership-and-volunteers/volunteers/> for further information.
