9. **TROPHIES / PRIZES**

- 9.1 Points will be awarded based on your finishing place within each race run on the day. Class points and trophies will be awarded as per the finishing order for the races.
- 9.2 All scoring and points will be awarded as per the MoMS. In the event of a points tie the MoMS rules will apply. If this tie breaker does not break the tie the FIM World Championship Grand Prix Regulation 1.28.7 will be applied.
- 9.3 In the event a tie in the Bridgestone NSWRRRC points score cannot be separated by the rules already included in these Supplementary Regulations, the awarding of prizes will be determined by a “draw from the hat”. The names of the tied competitors will be placed in a container and a party acceptable to the tied competitors will draw a name. The first name drawn will choose their prize from the available prizes. The second name drawn will then choose a prize. This process will continue until all tied competitors have received a prize, or all prizes have been awarded.
- 9.4 **NSW State Titles:** Will be awarded for the **Unlimited (Class 1A & 1B), 600cc (Class 2A & 2B) and 400cc (Class 3A)**. Awards will be produced and supplied by MNSW and presented at the presentation.

10. **ENTRIES TO CONSTITUTE A CLASS**

The closing date for entries will not be extended, and if there are insufficient numbers that Class will not be run as a championship.
- 10.2 Senior Solos - ten (10) entries are required to constitute a Class. Classes will be limited to a maximum of 44 competitors.
- 10.3 Should there be insufficient entries in any Class, the decision to run, cancel, combine, or separate classes and re-distribute any awards will be at the discretion of the Promoter, subject to MNSW approval.
- 10.4 The Promoter reserves the right to determine eligibility of any machine and to seed combination rider/machine into any event.

11. **MACHINES AND RIDERS**

- 11.1 All competitors **must** present a completed pre-race scrutineering checklist when the motorcycle is presented for scrutineering at each round. The checklist will be available on St. George MCC website at <https://www.stgeorgemcc.com/race-events/road-race-sprint-series/> and normal social media communication channels. Following scrutineering, machines found to be non-compliant at any stage of the event may result in the rider being excluded from the event without a refund.
- 11.9 Eligibility checks may take place at any time during the event. Machines found to be non-compliant may result in the rider being excluded from the event without a refund.
- 11.10 A scrutineering sticker will be placed on the machine once inspected.
- 11.11 Machines which suffer accident damage in practice, qualifying or race sessions must be re-examined by a scrutineer before participating again.
- 11.12 Noise and/or fuel testing may be carried out at any time during this event.
- 11.13 Multiple entry of an individual machine in the same class of competition is not permitted.

12. **RIDING NUMBERS**

- 12.1 **Race numbers must be legible at 20 meters and must be of contrasting colours to the motorcycle's paint scheme.**
- 12.2 Numbers will be available for purchase from the Race Secretary if required.
- 12.3 Front numbers must be positioned in the centre if possible or towards the rider's left (as seen when seated on the motorcycle).

18. STARTS

- 18.1 All races will commence from a clutch start controlled by the starting gantry red lights. Should the lights fail, race starts will be signified by the **raising** of the Australian National Flag.
- 18.2 Any rider who anticipates the start or who is outside his starting box will be deemed to have jumped the start.
- 18.3 The motorcycle must be stationary at the time the red lights are turned off. A jump start is defined by the motorcycle moving forward at the time the red lights are turned off.
- 18.4 In the case of a minor movement and subsequent stop whilst the red lights are on, the Clerk of Course will be the sole judge of whether an advantage has been gained.
- 18.5 Jump-starts will incur a **minimum** 10 second time penalty which will be communicated to the rider as soon as possible via the timing system and start line board notification.
- 18.6 The Clerk of Course may impose more severe penalties for jump-starts that are considered to have caused danger to other competitors.
- 18.7 For Saturday races your sighting lap will also be your warm-up lap.
- 18.8 For Sunday races the Clerk of Course will advise the sighting and warm-up lap format.

19. RACING

- 19.1 Races will be as per each event schedule.
- 19.2 All races will be time certain. If a race is stopped using the red flag and cannot be restarted within TWENTY (20) minutes, it will be declared to have been finished at the end of the last completed lap before the red flag was displayed. Points will be awarded to all competitors excluding the competitor(s) who are deemed to have caused the red flag as determined by the Clerk of Course. If no laps were completed no points will be awarded.
- 19.3 The program of events and the length of races are subject to change.
- 19.4 If the event is a Championship all championship classes will take precedence over support classes.
- 19.5 **Practice and qualifying will be run conjointly.**
- 19.6 Practice starts will be permitted at the end of each practice/qualifying session. The practice start area will be designated by a "Practice Start" sign and orange cones or similar. Details will be included in the Final Instructions for each round.
- 19.7 Race finishes will be signalled by a waved chequered flag at the start/finish line.
- 19.8 Once a rider has received the chequered flag, they must not overtake any other rider. This courtesy will allow back-markers to finish the race by receiving the chequered flag on their own final lap and will also allow track clearances to be performed in a safer and more efficient manner.
- 19.9 Race results will be published on the Natsoft Racing website, currently located at [http://racing.natsoft.com.au/results/- 1](http://racing.natsoft.com.au/results/-1) and on the St. George Facebook page.
- 19.10 Results will remain "Provisional" until ratified and confirmed by MNSW.
