2. **COMPETITOR SIGN-ON**

Competitors' sign-on will be done in garage 21.

3. **TECHNICAL INSPECTION**

- 3.1 Prior to the Event read the technical inspection check list to ensure compliance.
- 3.2 Technical Inspection will be conducted in front of your garages on the concrete apron from 11:30 am.
- 3.3 After you have signed on, please have your motorcycle and protective equipment displayed on the concrete apron ready for inspection with transponder and GPS tracker fitted.
- 3.4 After the compulsory riders briefing at 1:30 pm, competitors will need to locate a Technical Inspector to have their machine and protective equipment inspected.
- 3.5 Machines must comply with the eligibility criteria and technical regulations for road racing as stated in the current Manual of Motorcycle Sport and supplementary regulations for this event.
- 3.6 Transponders and GPS Trackers will be issued in garage 21 from 11:30 am.
- 3.7 Please ensure your machine has the lower fairing removed to allow lock-wiring to be checked.
- 3.8 Radiators may be checked to confirm you are using water or a non-glycol-based coolant.
- 3.9 Lock wire removed during a technical inspector's inspection MUST be replaced by the rider.
- 3.10 **Race numbers** - must be legible at a distance of 20 metres and must be of contrasting colours to the motorcycle's paint scheme.
- 3.11 Front numbers must be positioned in the centre of the front fairing if possible or left of centre as seen when seated on the motorcycle.

- 3.12 **Rear red light:** Refer to GCR 6.12.4.2 All competing motorcycles should be fitted with an operational red taillight which meets the specifications in paragraph 12.15 of the supplementary regulations for this event. Lights will be inspected by the technical officers. Non-compliant lights will not be allowed. Competitors are strongly advised to hardwire the taillight to ensure continued function throughout the event.
When the circuit stadium lighting is in operation machine rear red lights should be switched on for all competition, i.e. qualifying and racing.

4. **PRACTICE STARTS**

Practice starts are **NOT** permitted during this event.

- 10.3** Transponders damaged during the event, or not returned at the conclusion of the event, will incur a fee of \$655.
- 10.4** Transponders must be secured to your motorcycle using an AMB transponder bracket ONLY. These brackets are available for purchase at a cost of \$15 each.
- 10.5** Technical Officers will check the placement of brackets and the secure attachment of the transponder to your motorcycle.

11. SPECIAL NOTES

Attention Unlimited F3 entrants:

- In the interest of fairness and the spirit of the class, breaking the 1:40 lap time more than 2 times over an Event, will see you moved to the F2 class for the remainder of the series.
- Doing a lap time of 1:38.99 or lower will see you excluded from that race.
- Should you break 1:40 during qualifying you will immediately be moved to the F2 class.
- If you are moved to F2 class for the next round, you will only take half points with you.

Wishing you all a great event.
