ELECTRONIC SIGNALLING LIGHTS

Lights may be used in conjunction with flags and will have the same meaning as the flags

RED FLAGS OR LIGHTS - LEAVE THE CIRCUIT VIA PIT ENTRY

- Reduce speed and proceed with caution
- Return to your garages and await further instructions via pit announcements
- Be aware that emergency vehicles may be on the circuit
- Remain vigilant, exercise caution and do not overtake any moving emergency vehicles or other competitors
- Exercise extreme caution when approaching and passing any incident scene

PIT LANE

- Traffic is one-way in race direction
- Ride at walking pace only
- No smoking in pit lane or garages. Smoking is only permitted in those areas designated by ARDC
- Fully enclosed footwear is to be worn in pit lane
- No spectators are allowed on pit wall
- Signalling is permitted on the pit wall opposite your garage
- No pushbikes, wheelchairs, prams, furniture, or persons under 16 (unless a competitor) are permitted past the red line at the front garage front door.

PIT EXIT

- Is opened with a green flag for entry to the circuit
- Is closed with a red flag
- Do not ride past a red flag - stop and follow the instructions given by the pit exit marshal

PIT ENTRY

Pit entry is on riders' left on the main straight after turn 18

TAIL LIGHTS

Your motorcycle's red taillight MUST be illuminated before entering the circuit for every qualifying session and race/event. (As per the Manual of Motorsport (M.O. M's) general competition rule (G.C.R) 6.12.4.2)

HARDWIRED LIGHTS ARE PREFERRED AND RECOMMENDED

QUALIFYING

- Sessions are scheduled to be of 10 minutes duration (timed from pit exit open to the chequered flag)
- Pit exit will remain open
- **When exiting the circuit BEFORE the chequered flag use PIT ENTRY**
- Signal your intention early and clearly, and don't change your mind
- **When exiting the circuit AFTER the chequered flag use TURN 4 GATE**
- Sessions will be declared by a waved chequered flag at the start/finish line
- On receiving the chequered flag your qualifying session has finished
- Pit exit will be closed
- Slow down, do not overtake, remain observant
- To remind you that your session has finished:
 - **A yellow flag will be waved at turn 3.4 on riders' right**
 - **A red flag will be waved at turn 3.7 on riders' left**
 - **An illuminated arrow on riders' right opposite turn 4 will be displayed**
- Exit the track slowly **through the turn 4 gate** and return to your garage **at walking pace**
- Practice starts are not permitted

RACING

- There will be one combined sighting/warm-up lap for races
- Ensure your bike has sufficient fuel for additional laps if required
- Know your grid position
- The grid for race 1 is determined from qualifying
- Subsequent grids will be progressive, based on the results of the previous race
- Starts will be by lights. The red lights come on, and **when the red lights go off** the race has started
- Each machine must remain stationary within its grid position until the start signal is given
- A jump start occurs when there is any movement from the machine, or the machine is not in its nominate grid position, when the field is in the starters control prior to the start signal being shown. The minimum jump start penalty will be 10 seconds added to the competitor's race time. The Clerk of Course may apply additional penalties for more serious offences
- Should the starting lights fail, the races will be started by the **raising** of the national flag in the starting tower
- **If you encounter problems on the start line:**
 - wave your arms vigorously to attract the attention of the officials and other riders
 - the yellow flags positioned along the wall on the starting grid will then be waved
 - the Delayed Start board will be displayed in the starting tower to all competitors
 - once your problem has been resolved the Delayed Start board and yellow flags will be removed
 - the normal race start process will then be repeated
- If starting from pit exit – wait at pit exit and follow the instructions of the marshal, who will release you at the appropriate time. Use caution when joining the race circuit as a medical vehicle will be following the field

- **AFTER RECEIVING THE CHEQUERED FLAG LEAVE THE CIRCUIT VIA TURN 4 GATE (riders left)**

- **This is not a ride day! The chequered flag is displayed at the start/finish line**

- Upon receiving the chequered flag your race has finished
- Slow down, do not overtake, remain observant
- To remind you that your race has finished:
 - **A yellow flag will be waved at turn 3.4 on riders' right**
 - **A red flag will be waved at turn 3.7 on riders' left**
 - **An illuminated arrow on riders' right opposite turn 4 will be displayed**
- Exit the track slowly **through the turn 4 gate** and return to your garage **at walking pace**

OTHER

- If you crash and are taken to hospital or are recommended by the medical team to seek further medical treatment, your licence will be suspended. To return to racing you will need a clearance from the hospital or your GP stating that you are "able to commence motorcycling activity"
- Breakdowns - help yourself if possible. Move your bike to the tyre wall and get yourself to an area behind the wall or to a marshal's post. Do not remove your helmet until you are safely behind a barrier
- If you abandon your machine and move yourself to a barrier do not return to your machine
- Riders are responsible for the behaviour of their crew, family, and friends
- **DO NOT LEAVE USED TYRES IN THE GARAGES! Take them with you.**
- By signing on at the event, all riders have acknowledged that they have read and understood these briefing notes.

Please ask for clarification of any of these details at the compulsory riders' briefing.

A riders briefing will be held in pit lane at 6.00pm all riders **MUST** attend.

Have an enjoyable event.

Michael Rooke
Clerk of Course
28th November 2025.
