The AGV Extreme Safety construction protocol means that the **K1 S** exceeds the requirements of the most recent international standards, making it even safer. The shell is made of **high-resistance thermoplastic material** for minimal encumbrance while the inner shell is in **multidensity EPS**. The safe profile is designed to prevent injury to the collarbone. The **double D fastening** is synonymous with quality and safety and is the same one used in **MotoGP™** helmets.

Riders – We Need Your Help!

Our race weekends rely on teamwork both on and off the track, and we're looking for riders who can lend a hand from time to time.

We're after riders to help with:
· Putting up and packing down sponsor banners

It's a small effort that makes a big difference — and helps keep our race meetings running smoothly.

👉 Keen to help? Speak to an official, or email Zara at stgmcc.nsw.marshals@gmail.com

Be a part of the action - Volunteer with us!

Our race meetings don't just happen on their own — they're powered by an amazing team of volunteers who make every weekend run smoothly. We're always keen to welcome extra helping hands to join the crew from time to time.

Whether you're interested in:

· Flag marshalling trackside
· Helping set up and pack down sponsor banners before and after racing

…there's a role to suit you!

No experience? No problem — just a positive attitude and a willingness to help. It's a great way to give back to the Club, get closer to the sport, meet a fantastic bunch of people, and be part of what makes race weekends possible.

👉 Interested? Please email Zara at stgmcc.nsw.marshals@gmail.com

Volunteers are the heartbeat of our race meetings — we'd love you to be part of it.
