The **AGV Extreme Safety** construction protocol means that the **K1 S** exceeds the requirements of the most recent international standards, making it even safer. The shell is made of **high-resistance thermoplastic material** for minimal encumbrance while the inner shell is in **multidensity EPS**. The safe profile is designed to prevent injury to the collarbone. The **double D fastening** is synonymous with quality and safety and is the same one used in **MotoGP™** helmets.

# ATTENTION RIDERS

## Riders – We Need Your Help!

Our race weekends rely on teamwork both on and off the track, and we're looking for riders who can lend a hand from time to time.

We're after riders to help with:

- Putting up and packing down sponsor banners
- Doing snack & drinks shopping for our marshals (costs reimbursed)

For the shopping role, we're aiming to have a number of riders rotating across events, so the commitment is shared.

It's a small effort that makes a big difference — and helps keep our race meetings running smoothly.

## Be a part of the action - Volunteer with us!

Our race meetings don't just happen on their own — they're powered by an amazing team of volunteers who make every weekend run smoothly. We're always keen to welcome extra helping hands to join the crew from time to time.

Whether you're interested in:

- Flag marshalling trackside
- Helping set up and pack down sponsor banners before and after racing
- Doing a snack and drinks shop for our marshals (all costs reimbursed) ... there's a role to suit you!

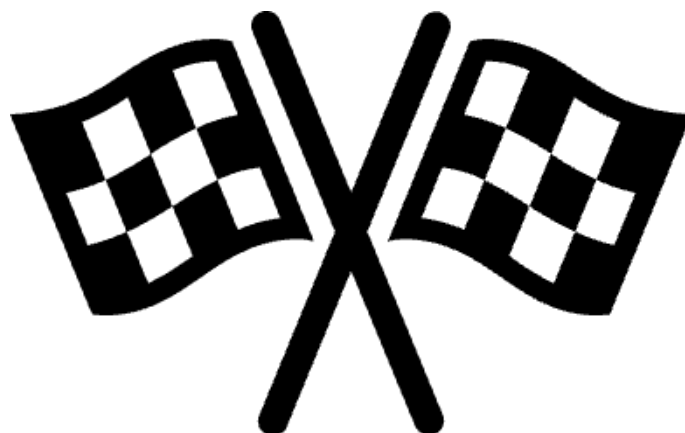

For the shopping role in particular, we're looking for a number of volunteers who can rotate across events, so no one person has to commit every round.

No experience? No problem — just a positive attitude and a willingness to help.

It's a great way to give back to the Club, get closer to the sport, meet a fantastic bunch of people, and be part of what makes race weekends possible.

👉 Interested? Please email Zara at [stgmcc.nsw.marshals@gmail.com](mailto:stgmcc.nsw.marshals@gmail.com)

Volunteers are the heartbeat of our race meetings — we'd love you to be part of it.
